NEW Business:

Joe and Libby Cook reported they sent a letter to the Commissioners and the Wabash Co. Highway Dept. to request signage in several locations in the Lagro and Lincolnville areas. They also submitted the county form “Request for Signage” and asked if any decisions have been made. Cook reported the request is due to the new horse and buggy traffic in these areas. Several Amish families have chosen to relocate to Wabash County. Cook estimated approximately 100 people have moved to the County which is a pretty substantial growth of the population. These families are working with a local contractor, purchasing goods from local stores, and participating in the Lagro Farmer’s Market. They are requesting signage indicating horse and buggy traffic in the area. Dawes said he understands the concern and they are meeting with the families next week to discuss the concerns.

Brian Campbell, Wabash County Plan Commission Director, reported that Mr. Chris Fields has come to the meeting with concerns about accessing his property located in Twin Lakes. Fields reported he has had trouble reaching his property due to trees, brush and abandoned vehicles. Campbell reported he will be meeting with the adjacent property owners next week and the plan commission had sent a letter regarding this in 2017. Fields stated he thinks the drainage has been changed and now his property gets flooded. The commissioners said he should contact Cheri in the Surveyors office on the drainage and they would await the report from Mr. Campbell.

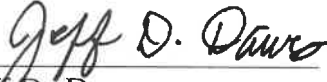

Haupert made a motion to adjourn the meeting. Eppley seconded the motion; it passed by a 3-0 vote. The Commissioners will next meet on Monday, August 26, 2024.
