

March 31, 1999
Emergency Session

Commissioners convened in emergency session with all members attending. Problems have arisen over the PrinChoice health insurance coverage. The main concern being the fees quoted were for a 250/750 deductible, and Commissioners understood it was for 100/300 deductible, as is the current policy. Also the enrollment forms include a paragraph indicating pre-existing conditions were excluded, and Commissioners had been assured all pre-existing conditions and accrued deductibles to date would be honored. Les moved to rescind his motion to accept PrinChoice, second by Brian, and approved. After discussion and comparison of options, Darle moved to keep BENICOMP as our carrier, and move to a \$10,000. partially self-funded program, with the deductible moving to 250/750 and all other coverage remaining the same. The 1999 premium is \$498,323.76. Second by Les, the motion passed, and Commissioners notified local agent, Allen Miracle. He will get the contract for signatures. With no further business, the meeting adjourned.
