

October 23, 2000

Commissioner Chairman, Brian Hauptert, called the meeting to order with all members present. Minutes of the 10/16 meeting were approved as written, moved by Darle Dawes, second by Lester Templin, and passed. Commissioners reviewed the Clerk's September report, the Weights and Measures monthly report and the Memorial Hall/Jail custodian hours. They learned from Cecil Shenefield there's a problem with the Charles ditch along CR 1000 S. Darle moved to approve bonds for Larry Rice, Co. Highway superintendent and Nancy Corn and Leslie Land, court administrators, second by Les, and passed. They learned their attorney, Tom Mattern, had talked with city attorney, Robert McCallen, about the R & B Properties' "spec" building abatement dispute. McCallen feels the builder dropped the ball and has no reasonable position to pursue the issue, although the city is still willing to discuss the matter.

Larry Rice, Co. Highway Dept.: County road marker signs are up along new 24 E. A letter has been sent to INDOT requesting CR 300 E be paved between Lagro and new 24 E. Berm and road work is completed on CR 175 E and CR 300 E. With no other business, the meeting adjourned.
